Dear Brother Knights,

I hope this letter finds you safe and healthy. I am writing to formally announce my Candidacy for your District Deputy.

I have served with many of you, and we still have more to accomplish. I am Brother Darrell R. Dickerson, a member, of St. Francis of Assisi Council No. 155 East Palo Alto, CA. As a 30 + year member of Council 155, I have held several elected positions. I was blessed to be elected to the Western District Deputies Position at our Virtual Conference. I have served as Conference Vice President, Area Board Member, and Junior Knight Director (four times). In addition, I have led and served on countless District and Convention committees. I have also had the privilege to represent the Order Nationally as the first Supreme Scribe on the Supreme General Assembly Board.

We are at a critical juncture in our Noble Order. Our District has more awareness, clarity, communication, and training. We still need to meet the demands of the Councils and the National Order of our Claver family, to meet the ever-evolving demands of retention, recaptured and recruitment.

As Deputy my primary role is expansion of our Noble Order. Accordingly, I do work for both the Senior and Junior divisions to collaborate with the Grand Knights and Junior Knight Commanders. Also, with the assistance of Area Deputies and Area Commanders I plan to create opportunities for engagement that will result in increased recruitment and retention of our members.

The Western States District is the most progressive in the Order and leads in technology, innovation, and development. We are a tangible value to KPC Inc., in addition by working with the Ladies Division, and collaborating with our members across divisions, we will be the organization of choice for Catholics.

As God continues to bless the work you do for our faith, and community, will you kindly consider my candidacy for Western States District Deputy.

Yours in Christ and our patron Saint Peter Claver,

Brother Darrell R. Dickerson
Candidate for District Deputy
Western States - KPC
