Brother Knights,

Thank you, for your confidence electing me as your Western States District Conference President. It has been a "Great Two Years" as your President. We are well on the way to a successful 71st Annual Conference for 2024 in Tempe, AZ.

We are especially grateful for last year's Conference in Newark, CA, as this was the first in-person Western States District Conference held since 2019. At the recommendation made to the WSDC Board, Lady President and I forged ahead in faith to actualize the in-person recommendation. It's truly God's Blessing that 2023 was one of our greatest Conferences.

I commend the WSDC Knights Board for such an outstanding job in diligently executing their responsibilities and in working collaboratively with me these last years! They have taken care of the Business of the WSDC and, in turn, has made my job much easier. You should be enormously proud of them!

I am announcing that I will be seeking the Office of Western States District Conference Knights President. I have held this position for the past two years, to which I have brought my action-oriented and decisive leadership, wealth of practical knowledge, experience, and skills. I continue to work closely with the Ladies President towards building and fortifying a bridge of communication and collaboration between the Knights and Ladies.

I ask for your vote and support for the Office of Western States District Conference Knights President. I will continue to do my utmost best will continue to work in the best interests of the KPC Corporation and for the entire Order.

I thank you in advance for your support!

Yours in Christ and Claver

Brother Greg Warner, Sr.
